THE SUCCESS OF MEET NO MEET

Venice, 9 July 2014

MEET NO NEET PROGRAM

The **MEET NO NEET** program is promoted by **Fondazione Mondo Digitale**, in collaboration with **Microsoft Italia**, **Roma Capitale** and Italian schools from all over the country.

The problem: 27% of NEETs, 41,6% youth unemployment, 17,6% school dropout

Objective: to provide young people with innovative tools and skills needed to enter the job market from the door of social commitment.

Key words: life skills, soft skills and social innovation.

Target: 6,000 young people aged 17 to 24 years, 20 secondary schools and universities all over the country.

THE PILLAR OF MEET NO NEET

Training program on technologies: teacher and student training by Microsoft

Training program on Social Innovation: “Education for Life” program by Fondazione Mondo Digitale

Experiential training: through social innovation projects developed by young people
