

ENACT @ National Conference on Flipped Classroom 2015, Rome

Mondo Digitale.

On the 13th February 2015 Rome Città

Educativa (<http://www.cittaeducativa.roma.it/>) hosted the first National Conference on Flipped Classroom. Professor Tullio De Mauro, inaugurated the conference.

The day included parallel workshops dedicated to primary and secondary school. 270 teachers from all over Italy participated in the event where ENACT project has been presented among other projects managed by Fondazione

ENACT online game has been presented as an educational tool that teachers can use to flip their classroom and gamify learning.
